

**21st International Symposium on Transport Phenomena
November 2 – 5, 2010, Kaohsiung City, Taiwan**

www.istp-21.org

We invite you to submit a paper/abstract to The 21st International Symposium on Transport Phenomena (ISTP-21) to be held on November 2nd -5th, 2010 in Kaohsiung City, Taiwan.

Papers dealing with any aspect of transport phenomena and thermal-fluids engineering from fundamental sciences to applications in engineering systems and nature are solicited. Topics include but are not restricted to the following areas:

- Heat and Mass Transfer
- Industrial Aerodynamics & Wind Engineering
- Experimental / Computational Fluid Dynamics
- Combustion and Reacting Flows
- Carbon Capture & Sequestration
- Chemical Process Systems
- Electronic Equipment Cooling
- Micro- and Nano-scale Transport
- Heat Exchangers
- Turbulence and Flow Instabilities
- Thermal-Fluids Machinery
- Gas Turbine Heat Transfer
- Transport in Porous Media
- Thermal Hydraulics of Nuclear Reactors
- Transport Phenomena in Multi-Phase Systems
- Manufacturing and Materials Processing
- Environmental Systems
- Visualization/Imaging Techniques
- Bioengineering & Biothermal Fluid Dynamics
- Sustainable Energy Conservation
- Biofuels sustainability
- Renewable energy technologies
- High efficiency power storage system
- Fuels and alternatives
- Hybrid vehicles sustainability
- Fuel cells technologies

Important Dates

Deadline for Abstract Submission	July 1, 2010
Notification of Abstract Acceptance	August 1, 2010
Deadline for camera-ready manuscript submission.....	September 1, 2010
Advance Registration Deadline	September 1, 2010
Conference Date	November 2-5, 2010

Paper Submission

Papers are invited from prospective authors with interest on the related areas (oral or poster presentations). Each paper should follow the ISTP-21 format with title, authors' names, affiliation, email addresses and an abstract up to 150-words with font size of 10 pts. All papers must be submitted electronically in PDF format and early submissions are greatly appreciated.

Abstracts or draft papers should be sent via the conference web site <https://www.softconf.com/a/istp21/>, filling the respective form and uploading the respective paper or abstract. If the conference web site is not accessible, you can also make your submission by e-mail, attaching it to the following e-mail address: info@istp-21.org.

ISTP-21 Secretariat

Ms. Vincci Huang
